

***The Eruption of the Sons of God on Earth:
Their Judgment - After the Flood***

Our Theme Scriptures:

2 Cor. 11:3 "But I fear, lest by any means, as the serpent beguiled Eve through his subtlety, so your minds should be corrupted from the simplicity that is in Christ."

Gen. 3:15 "And I will put enmity between you and the woman, and between your seed and her Seed; He will bruise your head, and you shall bruise His heel."

Introduction:

- ***You will recall the focal point of the developing story found in the God-given and inspired Genesis account. Gen. 3:15 assures Satan of his own defeat through the seed of the woman. If Satan can destroy the promised seed, he wins and the Creator God loses. Satan will have proven that he is above God after all!***

- ***And so, if we carefully study the Scripture in relation to the Messianic line, we should expect to see Satan at work as well as God, the one opposing the other, throughout the course of Biblical history . . .***
 - ***We first saw that in the Garden of Eden, Satan transformed himself and lied to Eve leader her and through her, Adam into rebellion as they ate of the forbidden tree. God's judgment upon them was expulsion from the Garden and a fallen and rebellious nature of sin.***
 - ***In due time Eve bears two sons, Cain and Abel, and the amazing tale of two sons comes to pass.***
 - ***In the course of time, the brothers bring their sacrificial offerings.***
 - ***The Lord God "respected" Abel's offering with fire from heaven and he "did not respect" Cain's blood-less offering by not receiving it.***
 - ***Cain then kills his brother and is banished to a far place by God. As God's first prophet, Abel was martyred by his brother who sought to silence and destroy the true testimony of Almighty God regarding his redemptive plan of the ages as had been summarized in Gen. 3:15.***

Review:

In this way Satan's Long War Against God proceeded onwards as he sought to

conflict with, thwart, and even to cancel out God's plan for the ages and concerning which, he himself would ultimately be destroyed.

The next period of revealed history proceeds from the Cain and Abel events to the great flood of Noah over a period of about 1600 years and about 10 generations during which time Satan's war spread to the entire inhabited earth infecting nearly all of Adam's race.

Last time we mostly focused on how during this ante-deluvian or pre-flood period Satan attempted to directly attack and destroy the royal family itself (remember, "The Long War Against God" is all about "The Seed of the Woman"). He did this by sending forth "the sons of God" into the human race, thereby demonically corrupting human nature even more than Adamic sin and the resulting sin nature already had. The consequence of this was, as we read in our last meeting, was the judgment on the entire human race through the worldwide Noahic Flood. But we may not understand fully the reasons for the flood. Our main goals today will be to gain understanding of the entire purpose of God in that judgment.

THE KEY TO OUR UNDERSTANDING IS THIS: When Satan led the "sons of God, the "stars of heaven" into rebellion, they left their original place and ministries and became willing accomplices of this new "angel", suitably masquerading in a way that influenced them to abandon their former obedience to Almighty God. So Satan's power and lying miracles are so great and so far more so than we should ever want to believe or even able to conceive, that apart from the revelation here in the Bible we simply cannot know what Satan was doing in those days and therefore what God was doing to defend against Satan's own strategy.

Also, after the great flood, during the next 8 centuries the Bible records Satan's greatest accomplishment as the creation of his own religious system on the earth as a perverted copy of the sacred system revealed by the first prophet, Abel so many years before. In this period we find Nimrod and the tower of Babel and the division of the continents and the languages of mankind. Just four centuries after the great flood, we come now to Abram and his calling out of the idolatrous families of the earth as through him God would continue to protect the chosen family of the seed of the woman and the plan of our eternal redemption is brought to pass through the eventual setting apart of God's chosen nation, the nation of Israel, built on the pillars of Abraham's twelve grandsons.

Today, we shall show from the Scripture itself how a correct understanding of the

Genesis account as it is explained through later revelation gives us a much more complete understanding of the flood event itself AND of many events in mankind's history as well.

- **By way of reference, you will remember our Key Scripture as found in 2 Cor. 11:14: "And no marvel; for Satan himself is transformed into an angel of light."**
- **So Satan's next strategem, after the martyrdom of Abel, was this, a great "eruption", as he sent forth a great number of his fallen angels to the earth itself, with a bodily presence -- human bodies with a demonic spirit!!**

All this now brings us to our subject today, as we shall see how the sacred history of the Bible explains God's destruction of the world of Adam's fallen seed in the great flood.

I. The Destruction of the World in the Noahic Flood Explained in Outline Form

- **Now, we know from Scripture how often an angel's taking upon himself a human appearance was a most blessed event indeed (remember Abraham and Lot, for example). But, as we study Genesis and the scriptures that follow, nothing could be more evil than Satan's fallen angels taking on a "human" form as described here in Genesis chapter 6. This was Satan's strategic goal as he attempted through this new means to mimic God's intersections with humanity with his own demonic facsimile thereby, he hoped, cancelling the Gen. 3:15 plan to bring redemption by "the seed of the woman".**

Let us not fail to observe that through this "eruption" of evil into humanity he was of course attempting to "duplicate" God's creative work in the Garden as well, thus placing himself on a par with the creator. That a created "alien humanoid" could intermarry with human women and bear fertile children is most remarkable, is it not? And yet it is revealed here in Gen. 6 as sacred history.

[REREAD] Gen. 6:1-9

- 1 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,
- 2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.
- 3 And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.
- 4 There were giants in the earth in those days; and also after that, when

the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

5 And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

6 And it repented the LORD that he had made man on the earth, and it grieved him at his heart.

7 And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.

8 But Noah found grace in the eyes of the LORD.

9 These are the generations of Noah: Noah was a just man and perfect in his generations, and Noah walked with God.

- ***The Lord God's evaluation of Satan's work through these fallen and demonic spirits is found in several places in addition to the Genesis 6 account. Jude 6-7 is the primary text:***
 - ***Leaving aside for now the comparison here with the sin of homosexuality, Jude 7 summarizes the Genesis 6 history (and also the history of the eight centuries after the flood) with these words:***

[REREAD] Jude 6-7

6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.

7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.
 - ***This is the consequence finally of their judgment. But how AND WHY did the Lord God impose such a severe and eternal penalty?***

The Genesis account is provided for our full understanding.

- ***We saw there in in God's revealed summary of that revealed history of Satan's next strategem aligned against the Seed of the Woman Plan of Redemption, in Gen. 6:9, that God had been working behind the scenes. Although mankind had been nearly completely corrupted as indicated here, there was a man named Noah, who is declared here to have been a "righteous" man. And, most***

importantly, it is declared here that Noah was “perfect in his generations”, or, “upright” or “pure” or “acceptable” in his “generations”. This will be seen to be the key to our understanding as we proceed in our studies today.

- *So now, as we return to the story here in Gen. 6 let us focus first on verse 9 where we find the word “perfect”, so important to understand correctly if we would know exactly what God was doing here and what Satan was doing in response to the redemptive plan of Almighty God that would finally lead to his total defeat and destruction.*
- *This key word is translated usually "without blemish" in other parts of the Old Testament, for example, in Ex. 12:5. As we saw last time, in this context here and considering well the Jude reference. In Exodus it is used in reference to the preparation of animal sacrifices to be offered up to God as Moses Law had prescribed.*
- *So what then was the purpose of the great flood then as Gen. 6 reveals it? IT WAS THAT MANKIND WAS WICKED AND CORRUPT IN ALL OF THEIR GENERATIONS, AND THEREFORE UNABLE TO EVEN BE REDEEMED ACCORDING TO THE REDEMPTIVE PLAN OF GOD THROUGH THE SEED OF THE WOMAN!!*
 - *FIRST AND MOST IMPORTANTLY, THEN, THE PURPOSE OF THE GREAT FLOOD WAS TO DESTROY THE CORRUPTED ALIEN RACE OF HUMAN-LIKE CREATURES THAT HAD NOW TAKEN OVER EARTH AND ADAM’S RACE. The “gene pool” of Adam’s race, as the creator God had designed and made it, had now been thoroughly corrupted, leading, no doubt in Satan’s mind to a great victory eventually over the promise of the Seed of the Woman.*
 - *But Satan failed because he had not succeeded with Noah and his immediate family as he then learned. According to Genesis chapter 6 Noah preached God’s coming judgment upon mankind as thus demonically corrupted and built an ark for the saving of ONLY THE PURE seed of Adam, all sinners, yes, but not corrupted in their very nature through a demonic spirit.*
 - *This would preserve Noah and his sons who were righteous and upright, meaning, free from the infection of the demonic influences in Satan’s plan to corrupt mankind completely and therefore to permanently defeat the seed of the woman*

promise of Gen. 3:15.

- *The sole purpose of the flood was to destroy what Satan had already destroyed, even Adam's race, as corrupted by the Satanic plan -- for Only Noah and his immediate family were still pure from the infection of the angelic and Satanic realm.*

[Your thoughts?]

II. The Destruction of the World in the Noahic Flood Explained in Full

- *Now, the flood ends and Noah and his family continues on. But things do not go well, at least with Ham, Noah's son, who has apparently been already corrupted by demonic evils, though clearly not in his essence as we have already seen. Many children were born, as a great many sons and daughters are born to each generation.*
- *But, as Gen. 6:4 so clearly says, Satan now continues his corrupt plan to thwart the redemptive plan of God that otherwise will surely lead to his own destruction eternally should he fail to be victorious over "the Seed of the Woman".*
 - *What does Scripture say? Simply that (Gen. 6:4) "there were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown."*
 - *So now the "giants", the "nephilim" as the Hebrew reads, were again, just as before the flood multiplying as the direct result of the demonic creation of humanoids and their intermarriage with human women. BUT THIS TIME IT SEEMS TO HAVE BEEN LIMITED TO THE LAND OF CANAAN. Satan has now chosen to work through selected families in a more limited way.*
- *This then, after about 400 years of Satan's work through these chosen demonic families, will, next time, Lord willing, bring us to the story of Abram's salvation in chapter 12. But today, in closing, I*

want to give you a foretaste of what is to come. We shall consider how clearly God has revealed in his word of truth the complete picture of how Satan's plan was foiled for the most part and yet, how down through the ages, Satan has continued to work this plan, even today.

- **One key passage of Scripture that summarizes what we shall see next time is this:**

[READ] Deut. 9:1-4

1 Hear, O Israel [Moses is speaking]: Thou art to pass over Jordan this day, to go in to possess nations greater and mightier than thyself, cities great and fenced up to heaven,

2 A people great and tall, the children of the Anakims, whom thou knowest, and of whom thou hast heard say, Who can stand before the children of Anak!

3 Understand therefore this day, that the LORD thy God is he which goeth over before thee; as a consuming fire he shall destroy them, and he shall bring them down before thy face: so shalt thou drive them out, and destroy them quickly, as the LORD hath said unto thee.

4 Speak not thou in thine heart, after that the LORD thy God hath cast them out from before thee, saying, For my righteousness the LORD hath brought me in to possess this land: but for the wickedness of these nations the LORD doth drive them out from before thee.

- **As we shall see, the Anakim were descendants of the Nephalim (according to Numbers 13), the corrupted fallen beings the demons had created, both before the flood, and now, again after the flood. And in the four hundred years from Abraham until this key moment in Israel's sacred history, they had taken over completely the very land of Abraham, Isaac and Jacob.**
- **Interestingly, the major city of the land of promise mentioned in the Deut. 9 passage just read, is Kirjath-Arba, the city of the four sons of Arba, a giant whose dwellings were in Hebron (or, in the Palastinian language, Kirjath-Arba, so called, even today!)**
- **Praise God, that city and that land was recovered as the nation of Israel under Joshua and Caleb's leadership now recovers the**

possession so sacred to the Jews, for there was to be found the tombs of Abraham and Sarah, Isaac and Rebecca, Jacob and Leah. Only Rebecca was not buried there, for she was buried near Bethlehem after giving birth to her son Benjamin.

Conclusions:

- ***We miss so much of the rest of the story of scripture and fail to grasp much of its meaning if we do not carefully study the scriptures word by word and verse by verse, comparing scripture with scriptures and gaining understanding as the Holy Spirit teaches us.***
- ***So, I trust we have seen how A Proper Understanding of Biblical History Changes Everything, and not only concerning our understanding of the Noahic Flood, but of so much more as well”***
 - ***The flood itself which destroyed "all flesh"***
 - ***The commandments of the Lord to destroy the Canaanites and many others in the land***
 - ***The total destruction of the cities of Sodom & Gomorrah***
 - ***... and, perhaps even other things like the mythology of the Greeks & Romans & other middle Eastern peoples***
 - ***... and perhaps even the building of the Egyptian pyramids, etc... For this, consider how Num. 13:22. seems to establish a linkage between the Nephilim descendants and the Egyptian rulers who built the great cities of Egypt!! And the pyramids, etc. as well?? Also, Hebron (Kirjath-Arba in the local language) was likened in stature to even Zoan in the Nile delta in Egypt, the home of the Pharaohs! Perhaps the same "giants" built it as well.***

May God bless each of us as we are reminded often that Satan would desire to capture our minds as well by the same Babylonian religion that came from the Canaanites. Remember, our God is still a consuming fire today! Let us not be “corrupted from the simplicity that is in Christ” through Satan’s deceptions and his new age religion!
